Spiritual Mentor (name):

Participant Family- please refrain from using names in these reports and in emails used to transmit them.

- A. Does the family work as a team or are there conflicts and differing views, understandings and beliefs that are holding them back?
- B. How is the family doing with regard to the following key principles:
 1. Do they understand that God is concerned about "the little things" like finances?
 2. Do they understand stewardship, and God's ownership of everything?
 3. Do they understand needs vs. wants?
 4. Do they understand how debt becomes an adversary of contentment?
 5. Do they understand Biblical priorities with regard to our finances (God, family, others in need)?
- C. What's the greatest impediment to their spiritual freedom with regard to finances?
- D. What areas need emphasis as the program nears the end of the 10-week sessions?
- E. Is there any follow up planned on the Spiritual mentoring?
